

## Sr Helen Julian CSF

We are saddened to share news of the death of Sister Helen Julian CSF, former Trustee and Conference Organising Group member, and long-standing friend of On Fire Mission.

Helen Julian was an astonishing woman of God who dedicated her life to encouraging others, especially in their vocation, and she was heavily involved in the life of the communities of which she was part in many visible and unseen ways. In recent years Sister

Helen Julian had been instrumental in building OFM's social media presence and regularly posted inspiring content to our Facebook page. As well as working closely with the communications team, she was a founding member of the OFM North group and helped to build the On Fire Mission community, especially in the North East, alongside her extensive national work.

An inspiring author and speaker, with an astonishing eye for detail and a genuine commitment to hospitality, Helen Julian helped On Fire Mission to thrive and grow in both depth and reach as she committed to sharing her faith and learning with others as she accompanied them on their journey with Christ.

She prayed fervently for the work of On Fire Mission and promised us that she would continue to as she joins the Communion of Saints. We pray for her as she comes home to her Heavenly Father, that she may know the joy of the eternal life, to which her whole earthly life witnessed so powerfully. Please hold Sr Helen Julian's family and The Community of St Francis in your prayers also.
