

CORONAVIRUS LATEST:

Dear OFM friends and supporters,

Thank you for your patience and prayer as we sought alternative arrangements for OFM 2020 in the light of rapidly changing circumstances.

We have taken the difficult but necessary decision to delay our 2020 On Fire Mission Annual Conference: 'Agents of Renewal' to Mon 26 - Thu 29 April 2021.

Delegates booked for OFM 2020 will automatically have their place transferred to OFM 2021 and will not lose their deposit or incur any costs on their place.

If you would not like to transfer your place, please let us know as soon as possible before Wed 30 September 2020 so we can release it to others. If you do nothing, it means we have a place booked for you at OFM 2021, and the usual cancellation policy provisions will apply.

This decision comes at a cost of approx. £6k to the Charity and will impact our work significantly going forward. If you are at all able to donate some of your refunded fee or to help in any way to support the work of OFM financially as well as prayerfully, please contact our Administrator, Rosie Roberts, at info@onfiremission.org or 07946 042476.

These are challenging times for many in the global community, and the Church needs the guidance of the Holy Spirit in this season as churches world-wide respond to such uncertain times. OFM remain committed to bringing the light, peace and hope of the Gospel and equipping all Christians, within the CofE and beyond, to be agents of renewal in their local context. We have heard many inspiring stories of this happening already from across the OFM network and we will be looking for new ways to share ideas and resources with one another over the coming months. We will also be continuing to build on our regional work and planning for when we are able to meet together again in person.

Until that time, please continue to watch, pray, care and share resources; strengthening one another to be the Church of God in the communities of which we are part, in the sure and firm hope that the Light which shines in the darkness is not overcome (John 1:5).

In peace,

The Ven. David Picken (Chair of OFM) and
The OFM Trustees and Conference Organising Group, 21 March 2020, 4:00pm
